Okay I made a flag for
traumasexual

Colour meanings are the dark
blue is ptsd/c-ptsd, the light
blue is just trauma in general,
the purple is for sexuality like
on the ace flags and stuff, and
the middle stripes are to
represent lgbtq+ identity

Oh and the symbol thing is the
uppercase delta

Bcs y'know

Oh and the symbol thing is the uppercase delta

Bcs y'know

It's a variable that changes and stuff

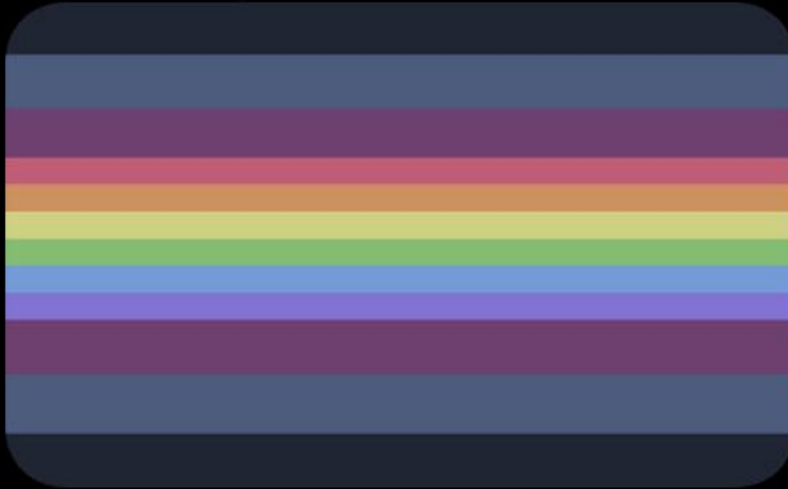

Also it looks nice

Also credit me on insta @bloxbreak1000 lmao
